

Henry Cluster STEMM Foundation Presents

The 5th Annual Mini Golf Challenge

Saturday, April 18, 2020

Mission Trails Church
4880 Zion Avenue, San Diego, CA 92120

The course will be open from 10:00 AM to 1:00 PM

The Henry Cluster STEMM Foundation challenges the students of the Patrick Henry High School neighborhood schools—**from kindergartners to seniors**—to design and build a miniature golf hole for a community mini golf course. At the 4th Annual Challenge the Hearst team took home the prize. This spring, will it be you?

This year's theme is *Earth Day*.

Students! Accept the Challenge!

- Form a co-ed team. (6 students is a good target, but it is flexible.)
- Recruit an adult team mentor.
- Visit hcstemm.org/minigolf for more details.

Parents! Want to Help?

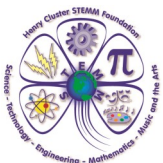

The Henry Cluster STEMM Foundation is seeking assistance planning, staffing, and funding for this event. If you or someone you know is interested in helping, please contact Foundation member Karen Miller at info@hcstemm.org.
